

TRI-WEST LITTLE LEAGUE BASEBALL

www.twbaseball.com

Dear Neighbors and Successful Business Leaders:

Our 2017 season was fantastic! We had over 250 boys and girls participate in the Tri-West Little League baseball program. Planning and registrations are already underway for the 2018 season. We would like to take this opportunity to say, "THANK YOU" to those of you who sponsored teams last year.

Through participation in the Little League, children learn the positive values of citizenship, discipline, teamwork, and physical well-being. By promoting the virtues of character, courage and loyalty, the Little League Baseball program is designed to develop superior citizens as well as superior athletes.

Once again, this year, Tri-West Little League baseball has exciting opportunities for your business to highlight your sense of community support and involvement. Your support will not only promote your business, but will also enrich the lives of every child in our program.

TWLL baseball sponsorships have allowed our league to make great improvements like:

- Purchase of new bats due to new bat regulations for all divisions
- Purchase of new player equipment such as heart guards and catcher's equipment for all divisions
- Replacement of damaged batting cages
- Field maintenance to include, mowing, sodding, edging etc.
- Repair/replace foul poles
- Day to day upkeep on diamonds
- Significant improvements to peewee and tee ball diamonds
- Improved umpire services
- Scholarships for children in need
- And more!

You may visit www.twbaseball.com to see the level of company exposure received due to the high volume of web traffic on this site and advertisements on Facebook.

Please see the attached sponsorships opportunities and form. Checks should be made payable to Tri-West Little League and mailed to:
