

TWLL Lightning Policy

At the first sight of lightning or sound of thunder, the game or practice will be stopped.

At this point all players should be removed from the dugouts (or from the benches in case of Tee Ball) with directions from their manager, coach, or umpire to seek shelter until further notice.

The best shelter is in a secure building or in a car with the windows rolled up. Not the Dugouts.

Games and/or practices may not resume until 30 minutes has passed without ANY lightning or thunder.

If the game or practice is delayed more than 60 minutes, the game or practice will be cancelled or rescheduled according to field availability.

“IF YOU SEE IT FLEE IT”

“IF YOU HEAR IT CLEAR IT”
